

**Consultation Response from KC,
Trees**

2024/92031 Headlands Works, Headlands Road, Liversedge, WF15 7NT

Outline application for erection of residential development, adoptable road and public open space

Date Responded: 05/09/2024

Responding Officer: JD

Responding Ref:

There are no protected trees on this site.

The proposals provided are largely sympathetic to the existing trees on site. There would be some tree loss to facilitate a development however as it currently stands the proposed layout would be acceptable and with a good landscaping plan involving new tree planting the loss of existing trees could be mitigated with potential street trees.

There would be no objection from a trees perspective.
