

**Consultation Response from KC,
Lead Local Flood Authority**

2024/92031 Headlands Works, Headlands Road, Liversedge, WF15 7NT

Outline application for erection of residential development, adoptable road and public open space

Date Responded: 15/10/2025

Responding Officer: Martin Stephenson

Responding Ref: 2

Previous response by the LLFA

Dated 16/08/2024 for application 2024/92031

Documents reviewed by the LLFA:

HHA:

- Surface Water Drainage Calculations dated 30/05/2024.

Drainage Summary:

The hydraulic calculations submitted in August 2025 are the same as those sent in July 2024. No new drainage information has been submitted, therefore the LLFA has no further comments and the comments in the LLFA's previous response still apply.
