<p>There are likely to be 16 or more eventual occupants of the proposed 8 apartments and it is not unreasonable to assume that each person may have a motor vehicle or require a taxi or similar.</p> <p>Over the course of any one day that is a huge volume of traffic requiring access to and egress from the property to St Helen's Gate. At this point this road is not only very narrow (vehicles passing each other must exercise great care) but there is also a junction with Dark Lane and a very bad bend in the road.</p> <p>I hope the Planning Committee will give due consideration to this appeal and refuse the application.</p>
