<p>We object to the proposed application for planning permission on several concerns. The proposal is an over development of the site which has already been heavily developed and is not in keeping with the principles of a designated conservation area. The application for eight apartments would significantly increase the number of cars on the site and traffic on what is already a sharp bend in the road and an accident prone corner. This would be in addition to the increase in traffic on the road after the recent expansion of King James school.</p> <p>The proposed two additional extensions to the current building would result in neighbouring properties being overlooked, as well as expanding into a large proportion of the whole plot, leaving very little green space.</p>
