## Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

Yes

No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

The proposal is to form additional bedrooms and shower room in the existing roof space by converting the existing hipped roof to a gable and constructing a flat roof dormer across the rear roof slope with velux windows to the front roof.

Does the proposal consist of, or include, a change of use of the land or building(s)?

Yes

No

Has the proposal been started?

Yes

No

## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The existing house has permitted development rights as detailed in Schedule 2, Part 1, Class B of the The Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) and is not within designated land, nor is a listed building.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Refer to drawings

01 - Existing plans elevations and location plan

02 - Proposed plans elevations and block plan

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

### Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- Permanent  
 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The property has permitted development rights as detailed in Schedule 2, Part 1, Class B of the The Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) and is not within designated land, therefore the proposal for the rear dormer and extension to form a gable by removing the existing hip are compliant. To confirm, the proposed extension adds an additional 39m<sup>3</sup> - the existing eaves are maintained, the dormer will be set back 20cm and not exceed the existing ridge height. There will be no balconies or verandas, platforms chimneys or soil pipes etc. All materials will match existing. The proposed velux rooflights to the front will not project more than 150 millimetres from the plane of the existing roof slope

### Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes  
 No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- The agent  
 The applicant  
 Other person

### Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- Yes  
 No

### Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff  
(b) an elected member  
(c) related to a member of staff  
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

Yes

No
