<p>This development has put more much needed family homes into the heart of golcar. Phase 2 has been continued from phase 1 and the houses are all in keeping in the style the first phase have been built. They have been built to a good standard.</p> <p>The housing estate has gained a lovely family and community appeal which is including the residents on phase 2 and 1 together where children are regularly playing.</p> <p>Phase 2 has improved what was there before (rough ground) into a lovely estate. I certainly support the planning.</p>
