<p>Me and my family have been living in golcar for the last 20 years, and found these houses at hillcrest view phase 2 for sale and decided this would be a great place to live. The houses are built to a high standard and are beautiful inside lots of space and light its a quiet friendly street safe for children, I also have family living in one of the houses in phase 1 and have always loved his house. He and his family have been really happy living there for the last 4 years. I'm just hoping that the planning gets sorted soon so we can purchase our new home.</p>
