

Consultation Response from KC,
Highways Development Management

2024/92155 Petrol Filling Station, Morrison's, Penny Lane, Waterloo, Huddersfield, HD5 8QW

Variation of condition 8 (opening hours) of previous permission 2017/90666 for variation condition 24 (petrol station opening hours) of previous permission (94/61/91519/W3) for erection of supermarket, petrol filling station with car wash associated car parking and access road

Date Responded: 14th August 2024

Responding Officer: C Dows

Responding Ref: K11-7NE/1

Recommendation: No Objection

The application seeks to vary Condition 8, of Application No. 2017/90666, which states: *"Except for the circumstances referred to in condition 9, the petrol filling station shall not be open outside the hours of 0700 to 2200 Monday to Saturday and 0900 to 1700 hours on Sundays."*

To be changed to: *"Except for the circumstances referred to in condition 9, the petrol filling station shall not be open outside the hours of 0530 to 2300 daily."*

The proposed changes would allow the petrol filling station to open 1hr 30mins earlier in the morning and stay open 1:00hr later in the evening Monday to Saturday, and 3hrs 30mins earlier and 6:00hrs later, on Sundays.

From a highway perspective is it considered that the proposed extended opening hours would have no material impact on the operation of the PFS or local highway network and HDM have no objection to the proposals.

No additional highway specific conditions are deemed necessary, all previous highway related conditions, i.e. Conditions 2, 3, 4, and 5, are all still appropriate and should be attached to any new planning permission.
