(materials) of previous permission 2022/93941 for**

**Erection of extension and alterations to dwelling, erection of detached garage and detached
garden room/gym (within a Conservation Area)**

Date Responded: 19/08/2024

Responding Officer: JD

Responding Ref: CA15

The arboricultural Method Statement sufficiently details the special engineering techniques proposed to have minimal impact on surrounding trees. It is also laid out that that only pedestrian access will be granted surrounding the trees and that all material storage of chemical mixing will be done outside on the RPA of trees and on the driveway adjacent.

No objection or further comments.
