Dear Ms Jackson

ref: 23 new lane, skelmanthorpe 2024/92347

As a home owner of 27 new lane for over years and now in We have already experienced much noise, and disturbance from the development at 23 New Lane.

My wife and I would like to place our objection to the planning. The combination of the high overlooking elevation and now with proposed huge windows, will lead to considerable loss of privacy, along with loss of light and overshadowing and yet more disturbance.

The huge windows in particular are is out of character with the street

thank you for the opportunity to put forward this objection and the first objection we have ever made, which demonstrates our strength of feeling.

king regards

27 New Lane
