

New 30mph/40mph speed limit terminal signage (non-illuminated to be proposed in first instance), with yellow/grey backing boards provided respectively. Signs & pole on north side of road to be located adjacent to kerb edge with offset bracket, to maximise clear footway width.

Signs & pole on south side located adjacent to walk with clearance from running carriageway.

Existing double white line system to be replaced with 0.6m wide (0.7m centre to centre) hatch markings (i.e. 1040 TSRGD), with gap in hatching at Falke Slite Road junction.

Approximate extent of Gateway road markings, in accordance with Kirkless Local Standard detail HD(S)/2/145.

Visibility to speed limit required - see table 8.3 of TSM Chapter 3).

'Staggered Junction Ahead' warning sign (dia. 507,1 TSRGD) and distance plate on yellow backing board, located 450mm northeast of new speed limit terminal point. Sign & pole located 450mm from kerb edge with offset bracket, to maximise clear footway width.

'Staggered Junction Ahead' warning sign (dia. 507,1 TSRGD) to be provided as vehicle STOP sign with 'SLOW/DOWN' message text, located circa 60m northeast of new speed limit terminal point. Sign & pole located 450mm from kerb edge with offset bracket, to maximise clear footway width.

4 No. dropped kerbs, tactile paving and cycle lane markings at cycle/footway transition, 1:350m visibility splays.

Existing 30/40mph speed limit terminal point.

A maximum gradient of 1:25 for the initial 15m section of the site access minor arm

1m x 70m Pedestrian crossing sign to northeast, and 1m x 50m pedestrian visibility splay to southwest.

4 No. dropped kerbs and tactile paving at cycle/footway transition, 1:5m x 30m visibility splays

Indicative bus lay-by / stop layout.

The highway works in the purple lane will need to be designed and delivered with the wider S278 works, but adopted via S278 to ensure satisfactory completion of the works.

Deflection arrows relocated north-east of the Blackmoorfoot Road site access

Unmarked southwesterbound bus stop (Stop ID 45019288) located in the carriageway to the north of the site access to be removed, as now proposed against WYCA, and the marked stop opposite is to be retained, but with flag amended to confirm the change to a single direction stop (to be arranged with WYCA at S278 implementation stage).
