I hereby authorise the approval of this application for the reasons set out in the officer's report and recommendation annexed below in respect of the above matter.

Helen Bower

AUTHORISED OFFICER

Date: 13-Nov-2024

Discharge of details reserved by condition 2 (Historic Structures Recording) on previous permission 2021/91330 for Listed Building Consent for demolition and replacement of Colne Bridge Road Bridge (MVL3/107)

Publicity

The application was advertised by site notice and press notice, expiring 11/10/2024.

No representations have been received as a result of this publicity.

Condition 2 (Historic Structures Recording)

Condition 2 Wording

No works of demolition shall take place until an approved methodology for full structure recording including the appropriate level of recording has been approved in writing with the local planning authority. Subsequent recording will take place prior to demolition and be deposited with the West Yorkshire Archive Service and West Yorkshire 10 Historic Environment Record in accordance with the timescales agreed in the approved methodology.

Document Submitted

- Transpennine Route Upgrade West, B6118 Colne Bridge Road Overbridge (MVL3/107), Bradley, Kirklees, West Yorkshire. Historic Building Investigation and Recording. V 1.1. Dated October 2024.

Consultation Responses

West Yorkshire Archaeology Advisory Service –The report is acceptable and will be accessioned into the West Yorkshire Historic Environment Record. The archaeological and architectural recording condition may be discharged.

Assessment

Condition 2 requires a methodology for full structure recording and that subsequent recording will take place prior to demolition and be deposited with the West Yorkshire Archive Service and West Yorkshire Historic Environment Record in accordance with agreed timescales. West Yorkshire Archaeology Advisory Service initially required revisions to the submitted report which have been subsequently made by the applicant, and a revised report has been re-submitted. West Yorkshire Archaeology Advisory Service were re-consulted and have confirmed the revised report is acceptable and will be accessioned into the West Yorkshire Historic Environment Record. The details are considered to be acceptable to discharge condition 2.
