Dear Planning Officers

I am writing with reference to your letter re Planning permission on H2A Station Road HD8 0AD.

I was under the impression that planning permission had been granted to above address as work seems to be in progress. A wall has been erected behind 21, Fenay Drive and a JCB is moving earth beyond this wall.

I am concerned that the proposed building is going to overlook our bungalow, our bedrooms are at the rear of the property and may impact our privacy. Also could have an impact on the value of our property should we ever remove. We have lived here for years, choosing our property in a quiet area being

people we value the peace and quiet and do not look forward to noise etc which is inevitable on a major build. Yours faithfully,

My husband
