<p>Whilst happy with the majority of this application we are concerned about future damages to our property from the excavation of the cellar.</p> <p>We are worried that this excavation will impact on our foundations and weaken our joining walls. Also if it causes flooding or damp to increase this would be a worry. If it can be agreed in writing that any future damage or issues caused by this work to our property will be covered and paid for by the neighbour then we are happy to have them proceed. Also any work later than 8.30pm would be unwelcome as there are children and elderly man to consider.</p>
