<p>I fully support this planning application. I live just below the site and have lived in Hepworth 40 years. The proposed property will significantly enhance the green belt, adding lasting value and character to the landscape. I have driven my large vehicles accessing this location with ease over a long period, confirming that the right of way has never been an issue and is well-suited for this development. The plans clearly demonstrate that the property will bring meaningful benefits to the area, positively contributing to the community and local environment. I look forward to seeing this beneficial development proceed</p>
