Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Authority have, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2015 and otherwise actively engaged with the applicant in dealing with the application.

The agent was contacted as initial Highways comments on the original plans stated that they could not currently support the application due to the proposed access ramp not being DDA compliant and causing a pedestrian access safety concern. The agent responded with amended plans showing a DDA compliant ramp. These plans have been discussed in the officer's report.

**Details Reserved by Condition**

- This permission has been granted subject to conditions. Some of the conditions may require you to submit further details. These conditions normally contain the wording "*submitted to and approved in writing by the Local Planning Authority*".
- You can apply online for approval of these details at the Planning Portals website at [www.planningportal.gov.uk](http://www.planningportal.gov.uk). Alternatively the forms and supporting guidance for submitting an application can be found online at [www.kirklees.gov.uk/planning](http://www.kirklees.gov.uk/planning).
- This Authority recognises the need to ensure that you are able to develop the site as effectively and flexibly as possible. However, at the same time it must ensure that development is in accordance with the terms of the planning conditions and legal agreement and the expectations of elected members and local residents set through the decision process.

- You should note the triggers for compliance with the conditions of this planning permission. This Authority is committed to processing applications to discharge conditions in a timely manner. It is important to ensure that submissions are made as far in advance of the trigger to allow time for adequate consultation, discussion and in some circumstances publicity.
- It is important that applications to discharge conditions are accompanied by sufficient information to enable this Authority and its consultees to fully consider and determine the proposals. Whilst officers will endeavour to negotiate solutions, failure to provide a comprehensive submission may result in delay and refusal of the application.
- If you commence work without discharging conditions you are at risk of enforcement action and invalidating your permission if the planning condition is a pre commencement condition.

#### **Development within a Coal Mining Area**

Further information is also available on the Coal Authority website at:  
[www.gov.uk/government/organisations/the-coal-authority](http://www.gov.uk/government/organisations/the-coal-authority)

The application has been publicised by notice(s) in the vicinity of the site. It is respectfully requested that the notice(s) now be removed and responsibly disposed of to avoid harm to the appearance of the area

### **Appeals to the Secretary of State**

- If you are aggrieved by the decision of your Local Planning Authority to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within:
  - i) 28 days of the date of service of the enforcement notice, or
  - ii) within the specified period, starting on the date of this notice,whichever period expires earlier.
- If you want to appeal against your Local Planning Authority's decision then you must do so within the specified period, starting on the date of this notice.
- The "specified period" is 12 weeks where the development relates to a "minor commercial application" as defined within the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), or 6 months in any other case.
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/appeal-planning-decision>. Further information on the Planning Appeal process can be found online at the Planning Inspectorates website <https://www.gov.uk/government/organisations/planning-inspectorate>.
- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

**Please note, only the applicant possesses the right of appeal.**

### **Purchase Notices**

- **If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.**

**In these circumstances, the owner may serve a purchase notice on the Council. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.**
