No additional area habitat units required to meet target ✓

No additional hedgerow units required to meet target ✓

No additional watercourse units required to meet target ✓

**Blackmoorfoot Road**

**Detailed Results**

## **Summary Figures**

**Net project biodiversity**  
(Including all on-site & off-site habitat retention)

**Total project biodiversity**  
(Including all on-site & off-site habitat creation)

**Combined**

Total on-site and off-site baseline area / length

Total on-site and off-site baseline units

Total on-site and off-site baseline area / length retained

Total on-site and off-site baseline units retained

Total on-site and off-site area / length proposed for enhancement

Total on-site and off-site baseline units proposed for enhancement

Total on-site and off-site baseline area / length lost

Total on-site and off-site baseline units lost

**Area habitats**

**On-site change**

| Wetland - Lowland raised bog                                         |  |
| Wetland - Oceanic valley mire[1] (D2.1)                              |  |
| Wetland - Purple moor grass and rush pastures                        |  |
| Wetland - Transition mires and quaking bogs (H7140)                  |  |
| Woodland and forest - Wood-pasture and parkland                      |  |
| Rocky shore - High energy littoral rock - on peat, clay or chalk     |  |
| Rocky shore - Moderate energy littoral rock - on peat, clay or chalk |  |
| Rocky shore - Low energy littoral rock - on peat, clay or chalk      |  |
| Rocky shore - Features of littoral rock - on peat, clay or chalk     |  |
| Intertidal sediment - Littoral seagrass on peat, clay or chalk       |  |

**Habitat group**

Grassland - Traditional orchards

Grassland - Floodplain wetland mosaic and CFGM

Grassland - Lowland calcareous grassland

Grassland - Tall herb communities (H6430)

Grassland - Upland calcareous grassland

Heathland and shrub - Lowland Heathland

Heathland and shrub - Dunes with sea buckthorn (H2160)

Heathland and shrub - Upland heathland

Lakes - High alkalinity lakes

Lakes - Low alkalinity lakes

Lakes - Marl lakes

Lakes - Moderate alkalinity lakes

Lakes - Peat lakes

Lakes - Ponds (priority habitat)

Lakes - Temporary lakes ponds and pools (H3170)

Sparsely vegetated land - Coastal sand dunes

Sparsely vegetated land - Coastal vegetated shingle

Sparsely vegetated land - Inland rock outcrop and scree habitats

Sparsely vegetated land - Maritime cliff and slopes

Urban - Open mosaic habitats on previously developed land

Wetland - Reedbeds

Woodland and forest - Felled/Replacement for felled woodland

Woodland and forest - Lowland beech and yew woodland

Woodland and forest - Lowland mixed deciduous woodland

Woodland and forest - Native pine woodlands

Woodland and forest - Upland birchwoods

Woodland and forest - Upland mixed ashwoods

Woodland and forest - Upland oakwood

Woodland and forest - Wet woodland

Coastal lagoons - Coastal lagoons

Rocky shore - High energy littoral rock

Rocky shore - Moderate energy littoral rock

Rocky shore - Low energy littoral rock

Rocky shore - Features of littoral rock

Intertidal sediment - Littoral mud

Intertidal sediment - Littoral mixed sediments

Coastal saltmarsh - Saltmarshes and saline reedbeds

Intertidal sediment - Littoral biogenic reefs - Mussels

Intertidal sediment - Littoral biogenic reefs - Sabellaria

Intertidal sediment - Features of littoral sediment

Intertidal sediment - Littoral muddy sand

Intertidal sediment - Littoral seagrass

**Medium**

**Habitat group**

Cropland - Arable field margins cultivated annually

Cropland - Arable field margins game bird mix

Cropland - Arable field margins pollen and nectar

Cropland - Arable field margins tussocky

Grassland - Other lowland acid grassland

Grassland - Other neutral grassland

Grassland - Upland acid grassland

Heathland and shrub - Blackthorn scrub

Heathland and shrub - Bramble scrub

Heathland and shrub - Gorse scrub

Heathland and shrub - Hawthorn scrub

Heathland and shrub - Willow scrub

Heathland and shrub - Hazel scrub

Heathland and shrub - Mixed scrub

Lakes - Ponds (non-priority habitat)

Lakes - Reservoirs

Sparsely vegetated land - Other inland rock and scree

Urban - Cemeteries and churchyards

Urban - Biodiverse green roof

Individual trees - Urban tree

Individual trees - Rural tree

Woodland and forest - Other Scot's pine woodland

Woodland and forest - Other woodland; broadleaved

Woodland and forest - Other woodland; mixed

Intertidal sediment - Littoral coarse sediment

Intertidal sediment - Littoral sand

Intertidal hard structures - Artificial hard structures with integrated greening of grey infrastructure (IGGI)

**Low D**

| Habitat group                                                       |
|---------------------------------------------------------------------|
| Cropland - Cereal crops                                             |
| Cropland - Horticulture                                             |
| Cropland - Intensive orchards                                       |
| Cropland - Non-cereal crops                                         |
| Cropland - Temporary grass and clover leys                          |
| Cropland - Winter stubble                                           |
| Grassland - Modified grassland                                      |
| Grassland - Bracken                                                 |
| Heathland and shrub - Rhododendron scrub                            |
| Lakes - Ornamental lake or pond                                     |
| Sparsely vegetated land - Ruderal/ephemeral                         |
| Sparsely vegetated land - Tall forbs                                |
| Urban - Bioswale                                                    |
| Urban - Bare ground                                                 |
| Urban - Allotments                                                  |
| Urban - Facade-bound green wall                                     |
| Urban - Ground based green wall                                     |
| Urban - Ground level planters                                       |
| Urban - Other green roof                                            |

| Heathland and shrub - Blackthorn scrub                 |
| Heathland and shrub - Bramble scrub                    |
| Heathland and shrub - Gorse scrub                      |
| Heathland and shrub - Hawthorn scrub                   |
| Heathland and shrub - Hazel scrub                      |
| Heathland and shrub - Lowland heathland                |
| Heathland and shrub - Mixed scrub                      |
| Heathland and shrub - Mountain heaths and willow scrub |
| Heathland and shrub - Rhododendron scrub               |
| Heathland and shrub - Dunes with sea buckthorn (H2160) |
| Heathland and shrub - Other sea buckthorn scrub        |
| Heathland and shrub - Willow scrub                     |
| Heathland and shrub - Upland heathland                 |
| Lakes - Aquifer fed naturally fluctuating water bodies |
| Lakes - Ornamental lake or pond                        |
| Lakes - High alkalinity lakes                          |
| Lakes - Low alkalinity lakes                           |
| Lakes - Marl lakes                                     |
| Lakes - Moderate alkalinity lakes                      |
| Lakes - Peat lakes                                     |
| Lakes - Ponds (priority habitat)                       |
| Lakes - Ponds (non-priority habitat)                   |
| Lakes - Reservoirs                                     |
| Lakes - Temporary lakes ponds and pools (H3170)        |
| Sparsely vegetated land - Calaminarian grasslands      |

|                                                                  |
|------------------------------------------------------------------|
| Sparsely vegetated land - Coastal sand dunes                     |
| Sparsely vegetated land - Coastal vegetated shingle              |
| Sparsely vegetated land - Ruderal/Ephemeral                      |
| Sparsely vegetated land - Tall forbs                             |
| Sparsely vegetated land - Inland rock outcrop and scree habitats |
| Sparsely vegetated land - Limestone pavement                     |
| Sparsely vegetated land - Maritime cliff and slopes              |
| Sparsely vegetated land - Other inland rock and scree            |
| Urban - Allotments                                               |
| Urban - Artificial unvegetated, unsealed surface                 |
| Urban - Bioswale                                                 |
| Urban - Intensive green roof                                     |
| Urban - Built linear features                                    |
| Urban - Cemeteries and churchyards                               |
| Urban - Developed land; sealed surface                           |
| Urban - Other green roof                                         |
| Urban - Facade-bound green wall                                  |
| Urban - Ground based green wall                                  |
| Urban - Ground level planters                                    |
| Urban - Biodiverse green roof                                    |
| Urban - Introduced shrub                                         |
| Urban - Open mosaic habitats on previously developed land        |
| Urban - Rain garden                                              |
| Urban - Actively worked sand pit quarry or open cast mine        |
| Urban - Sustainable drainage system                              |
| Urban - Unvegetated garden                                       |
| Urban - Vacant or derelict land                                  |
| Urban - Bare ground                                              |
| Urban - Vegetated garden                                         |
| Individual trees - Urban tree                                    |
| Individual trees - Rural tree                                    |
| Wetland - Blanket bog                                            |
| Wetland - Depressions on peat substrates (H7150)                 |
| Wetland - Fens (upland and lowland)                              |
| Wetland - Lowland raised bog                                     |
| Wetland - Oceanic valley mire[1] (D2.1)                          |
| Wetland - Purple moor grass and rush pastures                    |
| Wetland - Reedbeds                                               |
| Wetland - Transition mires and quaking bogs (H7140)              |
| Woodland and forest - Felled                                     |
| Woodland and forest - Lowland beech and yew woodland             |
| Woodland and forest - Lowland mixed deciduous woodland           |
| Woodland and forest - Native pine woodlands                      |
| Woodland and forest - Other coniferous woodland                  |
| Woodland and forest - Other Scot's pine woodland                 |
| Woodland and forest - Other woodland; broadleaved                |
| Woodland and forest - Other woodland; mixed                      |
| Woodland and forest - Upland birchwoods                          |
| Woodland and forest - Upland mixed ashwoods                      |
| Woodland and forest - Upland oakwood                             |
| Woodland and forest - Wet woodland                               |
| Woodland and forest - Wood-pasture and parkland                  |
| Woodland and forest - Felled                                     |

|                                                                                          |
|------------------------------------------------------------------------------------------|
| Coastal lagoons - Coastal lagoons                                                        |
| Rocky shore - High energy littoral rock                                                  |
| Rocky shore - High energy littoral rock - on peat, clay or chalk                         |
| Rocky shore - Moderate energy littoral rock                                              |
| Rocky shore - Moderate energy littoral rock - on peat, clay or chalk                     |
| Rocky shore - Low energy littoral rock                                                   |
| Rocky shore - Low energy littoral rock - on peat, clay or chalk                          |
| Rocky shore - Features of littoral rock                                                  |
| Rocky shore - Features of littoral rock - on peat, clay or chalk                         |
| Coastal saltmarsh - Saltmarshes and saline reedbeds                                      |
| Coastal saltmarsh - Artificial saltmarshes and saline reedbeds                           |
| Intertidal sediment - Littoral coarse sediment                                           |
| Intertidal sediment - Littoral mud                                                       |
| Intertidal sediment - Littoral mixed sediments                                           |
| Intertidal sediment - Littoral seagrass                                                  |
| Intertidal sediment - Littoral seagrass on peat, clay or chalk                           |
| Intertidal sediment - Littoral biogenic reefs - Mussels                                  |
| Intertidal sediment - Littoral biogenic reefs - Sabellaria                               |
| Intertidal sediment - Features of littoral sediment                                      |
| Intertidal sediment - Artificial littoral coarse sediment                                |
| Intertidal sediment - Artificial littoral mud                                            |
| Intertidal sediment - Artificial littoral sand                                           |
| Intertidal sediment - Artificial littoral muddy sand                                     |
| Intertidal sediment - Artificial littoral mixed sediments                                |
| Intertidal sediment - Artificial littoral seagrass                                       |
| Intertidal sediment - Artificial littoral biogenic reefs                                 |
| Intertidal sediment - Littoral sand                                                      |
| Intertidal sediment - Littoral muddy sand                                                |
| Intertidal hard structures - Artificial hard structures                                  |
| Intertidal hard structures - Artificial features of hard structures                      |
| Intertidal hard structures - Artificial hard structures with integrated greening of grey |
| Watercourse footprint - Watercourse footprint                                            |

### Habitat Description

Cropland - Arable field margins cultivated annually

Cropland - Arable field margins game bird mix

Cropland - Arable field margins pollen and nectar

Cropland - Arable field margins tussocky

Cropland - Cereal crops

Cropland - Winter stubble

Cropland - Horticulture

Cropland - Intensive orchards

Cropland - Non-cereal crops

Cropland - Temporary grass and clover leys

Grassland - Traditional orchards

Grassland - Bracken

Grassland - Floodplain wetland mosaic and CFGM

Grassland - Lowland calcareous grassland

Grassland - Lowland dry acid grassland

Grassland - Lowland meadows

Grassland - Modified grassland

Grassland - Other lowland acid grassland

Grassland - Other neutral grassland

Grassland - Tall herb communities (H6430)

Grassland - Upland acid grassland

Grassland - Upland calcareous grassland

Grassland - Upland hay meadows

Heathland and shrub - Blackthorn scrub

Heathland and shrub - Bramble scrub

Heathland and shrub - Gorse scrub

Heathland and shrub - Hawthorn scrub

Heathland and shrub - Hazel scrub

Heathland and shrub - Lowland heathland

Heathland and shrub - Mixed scrub

Heathland and shrub - Mountain heaths and willow scrub

Heathland and shrub - Rhododendron scrub

Heathland and shrub - Dunes with sea buckthorn (H2160)

Heathland and shrub - Other sea buckthorn scrub

Heathland and shrub - Willow scrub

|                                                                  |
|------------------------------------------------------------------|
| Heathland and shrub - Upland heathland                           |
| Lakes - Aquifer fed naturally fluctuating water bodies           |
| Lakes - Ornamental lake or pond                                  |
| Lakes - High alkalinity lakes                                    |
| Lakes - Low alkalinity lakes                                     |
| Lakes - Marl lakes                                               |
| Lakes - Moderate alkalinity lakes                                |
| Lakes - Peat lakes                                               |
| Lakes - Ponds (priority habitat)                                 |
| Lakes - Ponds (non-priority habitat)                             |
| Lakes - Reservoirs                                               |
| Lakes - Temporary lakes ponds and pools (H3170)                  |
| Sparsely vegetated land - Calaminarian grasslands                |
| Sparsely vegetated land - Coastal sand dunes                     |
| Sparsely vegetated land - Coastal vegetated shingle              |
| Sparsely vegetated land - Ruderal/Ephemeral                      |
| Sparsely vegetated land - Tall forbs                             |
| Sparsely vegetated land - Inland rock outcrop and scree habitats |
| Sparsely vegetated land - Limestone pavement                     |
| Sparsely vegetated land - Maritime cliff and slopes              |
| Sparsely vegetated land - Other inland rock and scree            |
| Urban - Allotments                                               |
| Urban - Artificial unvegetated, unsealed surface                 |
| Urban - Bioswale                                                 |
| Urban - Intensive green roof                                     |
| Urban - Built linear features                                    |
| Urban - Cemeteries and churchyards                               |
| Urban - Developed land; sealed surface                           |
| Urban - Other green roof                                         |
| Urban - Facade-bound green wall                                  |
| Urban - Ground based green wall                                  |
| Urban - Ground level planters                                    |
| Urban - Biodiverse green roof                                    |
| Urban - Introduced shrub                                         |
| Urban - Open mosaic habitats on previously developed land        |
| Urban - Rain garden                                              |
| Urban - Actively worked sand pit quarry or open cast mine        |
| Individual trees - Urban tree                                    |
| Urban - Sustainable drainage system                              |
| Urban - Unvegetated garden                                       |
| Urban - Vacant or derelict land                                  |
| Urban - Bare ground                                              |
| Urban - Vegetated garden                                         |
| Wetland - Blanket bog                                            |
| Wetland - Depressions on peat substrates (H7150)                 |
| Wetland - Fens (upland and lowland)                              |
| Wetland - Lowland raised bog                                     |

|                                                                      |
|----------------------------------------------------------------------|
| Wetland - Oceanic valley mire[1] (D2.1)                              |
| Wetland - Purple moor grass and rush pastures                        |
| Wetland - Reedbeds                                                   |
| Wetland - Transition mires and quaking bogs (H7140)                  |
| Woodland and forest - Felled                                         |
| Woodland and forest - Lowland beech and yew woodland                 |
| Woodland and forest - Lowland mixed deciduous woodland               |
| Woodland and forest - Native pine woodlands                          |
| Woodland and forest - Other coniferous woodland                      |
| Woodland and forest - Other Scot's pine woodland                     |
| Woodland and forest - Other woodland; broadleaved                    |
| Woodland and forest - Other woodland; mixed                          |
| Woodland and forest - Upland birchwoods                              |
| Woodland and forest - Upland mixed ashwoods                          |
| Woodland and forest - Upland oakwood                                 |
| Woodland and forest - Wet woodland                                   |
| Woodland and forest - Wood-pasture and parkland                      |
| Coastal lagoons - Coastal lagoons                                    |
| Rocky shore - High energy littoral rock                              |
| Rocky shore - High energy littoral rock - on peat, clay or chalk     |

| Lakes - Peat lakes                                               |
| Lakes - Ponds (priority habitat)                                 |
| Lakes - Temporary lakes ponds and pools (H3170)                  |
| Sparsely vegetated land - Coastal sand dunes                     |
| Sparsely vegetated land - Coastal vegetated shingle              |
| Sparsely vegetated land - Inland rock outcrop and scree habitats |
| Sparsely vegetated land - Maritime cliff and slopes              |
| Urban - Open mosaic habitats on previously developed land        |
| Wetland - Reedbeds                                               |
| Woodland and forest - Felled                                     |
| Woodland and forest - Lowland beech and yew woodland             |
| Woodland and forest - Lowland mixed deciduous woodland           |
|                                                                  |
| Woodland and forest - Native pine woodlands                      |
| Woodland and forest - Upland birchwoods                          |
| Woodland and forest - Upland mixed ashwoods                      |
| Woodland and forest - Upland oakwood                             |
| Woodland and forest - Wet woodland                               |
| Coastal lagoons - Coastal lagoons                                |
| Rocky shore - High energy littoral rock                          |
| Rocky shore - Moderate energy littoral rock                      |
| Rocky shore - Low energy littoral rock                           |
| Rocky shore - Features of littoral rock                          |
| Intertidal sediment - Littoral mud                               |
| Intertidal sediment - Littoral mixed sediments                   |
| Coastal saltmarsh - Saltmarshes and saline reedbeds              |
| Intertidal sediment - Littoral biogenic reefs - Mussels          |
| Intertidal sediment - Littoral biogenic reefs - Sabellaria       |
| Intertidal sediment - Features of littoral sediment              |
| Intertidal sediment - Littoral muddy sand                        |
| Intertidal sediment - Littoral seagrass                          |

### Habitat Description

Coastal lagoons - Coastal lagoons

Coastal saltmarsh - Saltmarshes and saline reedbeds

Cropland - Arable field margins cultivated annually

Cropland - Arable field margins game bird mix

Cropland - Arable field margins pollen and nectar

Cropland - Arable field margins tussocky

Cropland - Cereal crops

Cropland - Winter stubble

Cropland - Horticulture

Cropland - Intensive orchards

Cropland - Non-cereal crops

Cropland - Temporary grass and clover leys

Grassland - Traditional orchards

Grassland - Bracken

Grassland - Floodplain wetland mosaic and CFGM

Grassland - Lowland calcareous grassland

Grassland - Lowland dry acid grassland

Grassland - Lowland meadows

Grassland - Modified grassland

Grassland - Other lowland acid grassland

Grassland - Other neutral grassland

Grassland - Tall herb communities (H6430)

Grassland - Upland acid grassland

Grassland - Upland calcareous grassland

Grassland - Upland hay meadows

Heathland and shrub - Blackthorn scrub

Heathland and shrub - Bramble scrub

Heathland and shrub - Gorse scrub

Heathland and shrub - Hawthorn scrub

Heathland and shrub - Hazel scrub

Heathland and shrub - Willow scrub

|                                                                      |
|----------------------------------------------------------------------|
| Heathland and shrub - Lowland heathland                              |
| Heathland and shrub - Mixed scrub                                    |
| Heathland and shrub - Mountain heaths and willow scrub               |
| Heathland and shrub - Rhododendron scrub                             |
| Heathland and shrub - Dunes with sea buckthorn (H2160)               |
| Heathland and shrub - Other sea buckthorn scrub                      |
| Heathland and shrub - Upland heathland                               |
| Intertidal sediment - Artificial littoral biogenic reefs             |
| Intertidal sediment - Artificial littoral coarse sediment            |
| Intertidal sediment - Artificial littoral mixed sediments            |
| Intertidal sediment - Artificial littoral muddy sand                 |
| Intertidal sediment - Artificial littoral seagrass                   |
| Intertidal sediment - Features of littoral sediment                  |
| Intertidal sediment - Littoral biogenic reefs - Sabellaria           |
| Intertidal sediment - Littoral coarse sediment                       |
| Intertidal sediment - Littoral mixed sediments                       |
| Intertidal sediment - Littoral mud                                   |
| Intertidal sediment - Littoral seagrass                              |
| Intertidal sediment - Littoral seagrass on peat, clay or chalk       |
| Lakes - Aquifer fed naturally fluctuating water bodies               |
| Lakes - Ornamental lake or pond                                      |
| Lakes - High alkalinity lakes                                        |
| Lakes - Low alkalinity lakes                                         |
| Lakes - Marl lakes                                                   |
| Lakes - Moderate alkalinity lakes                                    |
| Lakes - Peat lakes                                                   |
| Lakes - Ponds (non-priority habitat)                                 |
| Lakes - Ponds (priority habitat)                                     |
| Lakes - Reservoirs                                                   |
| Lakes - Temporary lakes ponds and pools (H3170)                      |
| Rocky shore - Features of littoral rock                              |
| Rocky shore - Features of littoral rock - on peat, clay or chalk     |
| Rocky shore - High energy littoral rock                              |
| Rocky shore - High energy littoral rock - on peat, clay or chalk     |
| Rocky shore - Low energy littoral rock                               |
| Rocky shore - Low energy littoral rock - on peat, clay or chalk      |
| Rocky shore - Moderate energy littoral rock                          |
| Rocky shore - Moderate energy littoral rock - on peat, clay or chalk |
| Sparsely vegetated land - Calaminarian grasslands                    |
| Sparsely vegetated land - Coastal sand dunes                         |
| Sparsely vegetated land - Coastal vegetated shingle                  |
| Sparsely vegetated land - Inland rock outcrop and scree habitats     |
| Sparsely vegetated land - Limestone pavement                         |
| Sparsely vegetated land - Maritime cliff and slopes                  |
| Sparsely vegetated land - Other inland rock and scree                |
| Sparsely vegetated land - Ruderal/Ephemeral                          |
| Sparsely vegetated land - Tall forbs                                 |
| Urban - Vacant or derelict land                                      |
| Urban - Bare ground                                                  |
| Urban - Allotments                                                   |

[Return to start](#)**Start condition****Target condition****Habitat**

Cropland - Arable field margins cultivated annually

Cropland - Arable field margins game bird mix

Cropland - Arable field margins pollen and nectar

Cropland - Arable field margins tussocky

Cropland - Cereal crops

Cropland - Winter stubble

Cropland - Horticulture

Cropland - Intensive orchards

Cropland - Non-cereal crops

Cropland - Temporary grass and clover leys

Grassland - Traditional orchards

Grassland - Bracken

Grassland - Floodplain wetland mosaic and CFGM

Grassland - Lowland calcareous grassland

Grassland - Lowland dry acid grassland

Grassland - Lowland meadows

Grassland - Modified grassland

Grassland - Other lowland acid grassland

Grassland - Other neutral grassland

Grassland - Tall herb communities (H6430)

Grassland - Upland acid grassland

Grassland - Upland calcareous grassland

Grassland - Upland hay meadows

Heathland and shrub - Blackthorn scrub

Heathland and shrub - Bramble scrub

Heathland and shrub - Gorse scrub

Heathland and shrub - Hawthorn scrub

Heathland and shrub - Hazel scrub

Heathland and shrub - Willow scrub

Heathland and shrub - Lowland heathland

Heathland and shrub - Mixed scrub

Heathland and shrub - Mountain heaths and willow scrub

Heathland and shrub - Rhododendron scrub

Heathland and shrub - Dunes with sea buckthorn (H2160)

Heathland and shrub - Other sea buckthorn scrub

Heathland and shrub - Upland heathland

Lakes - Aquifer fed naturally fluctuating water bodies

Lakes - High alkalinity lakes

Lakes - Low alkalinity lakes

|                                                                  |
|------------------------------------------------------------------|
| Lakes - Marl lakes                                               |
| Lakes - Moderate alkalinity lakes                                |
| Lakes - Peat lakes                                               |
| Lakes - Ponds (priority habitat)                                 |
| Lakes - Ponds (non-priority habitat)                             |
| Lakes - Reservoirs                                               |
| Lakes - Temporary lakes ponds and pools (H3170)                  |
| Sparsely vegetated land - Calaminarian grasslands                |
| Sparsely vegetated land - Coastal sand dunes                     |
| Sparsely vegetated land - Coastal vegetated shingle              |
| Sparsely vegetated land - Ruderal/Ephemeral                      |
| Sparsely vegetated land - Tall forbs                             |
| Sparsely vegetated land - Inland rock outcrop and scree habitats |
| Sparsely vegetated land - Limestone pavement                     |
| Sparsely vegetated land - Maritime cliff and slopes              |
| Sparsely vegetated land - Other inland rock and scree            |
| Urban - Allotments                                               |
| Lakes - Ornamental lake or pond                                  |
| Urban - Artificial unvegetated, unsealed surface                 |
| Urban - Bioswale                                                 |
| Urban - Intensive green roof                                     |
| Urban - Built linear features                                    |
| Urban - Cemeteries and churchyards                               |
| Urban - Developed land; sealed surface                           |
| Urban - Other green roof                                         |
| Urban - Facade-bound green wall                                  |
| Urban - Ground based green wall                                  |
| Urban - Ground level planters                                    |
| Urban - Biodiverse green roof                                    |
| Urban - Introduced shrub                                         |
| Urban - Open mosaic habitats on previously developed land        |
| Urban - Rain garden                                              |
| Urban - Actively worked sand pit quarry or open cast mine        |
| Individual trees - Urban tree                                    |
| Urban - Sustainable drainage system                              |
| Urban - Unvegetated garden                                       |
| Urban - Vacant or derelict land                                  |
| Urban - Bare ground                                              |

### Habitat Description

Cropland - Arable field margins cultivated annually

Cropland - Arable field margins game bird mix

Cropland - Arable field margins pollen and nectar

Cropland - Arable field margins tussocky

Cropland - Cereal crops

Cropland - Winter stubble

Cropland - Horticulture

Cropland - Intensive orchards

Cropland - Non-cereal crops

Cropland - Temporary grass and clover leys

Grassland - Traditional orchards

Grassland - Bracken

Grassland - Floodplain wetland mosaic and CFGM

Grassland - Lowland calcareous grassland

Grassland - Lowland dry acid grassland

Grassland - Lowland meadows

Grassland - Modified grassland

Grassland - Other lowland acid grassland

Grassland - Other neutral grassland

Grassland - Tall herb communities (H6430)

Grassland - Upland acid grassland

Grassland - Upland calcareous grassland

Grassland - Upland hay meadows

Heathland and shrub - Blackthorn scrub

Heathland and shrub - Bramble scrub

Heathland and shrub - Gorse scrub

Heathland and shrub - Hawthorn scrub

Heathland and shrub - Hazel scrub

Heathland and shrub - Lowland heathland

Heathland and shrub - Mixed scrub

Heathland and shrub - Mountain heaths and willow scrub

Heathland and shrub - Rhododendron scrub

Heathland and shrub - Dunes with sea buckthorn (H2160)

Heathland and shrub - Other sea buckthorn scrub

Heathland and shrub - Willow scrub

Heathland and shrub - Upland heathland

Lakes - Aquifer fed naturally fluctuating water bodies

Lakes - High alkalinity lakes

Lakes - Low alkalinity lakes

Lakes - Marl lakes

Lakes - Moderate alkalinity lakes

Lakes - Peat lakes

Lakes - Ponds (priority habitat)

Lakes - Ponds (non-priority habitat)

|                                                                  |
|------------------------------------------------------------------|
| Lakes - Reservoirs                                               |
| Lakes - Temporary lakes ponds and pools (H3170)                  |
| Sparsely vegetated land - Calaminarian grasslands                |
| Sparsely vegetated land - Coastal sand dunes                     |
| Sparsely vegetated land - Coastal vegetated shingle              |
| Sparsely vegetated land - Ruderal/Ephemeral                      |
| Sparsely vegetated land - Tall forbs                             |
| Sparsely vegetated land - Inland rock outcrop and scree habitats |
| Sparsely vegetated land - Limestone pavement                     |
| Sparsely vegetated land - Maritime cliff and slopes              |
| Sparsely vegetated land - Other inland rock and scree            |
| Urban - Allotments                                               |
| Lakes - Ornamental lake or pond                                  |
| Urban - Artificial unvegetated, unsealed surface                 |
| Urban - Bioswale                                                 |
| Urban - Intensive green roof                                     |
| Urban - Built linear features                                    |
| Urban - Cemeteries and churchyards                               |
| Urban - Developed land; sealed surface                           |
| Urban - Other green roof                                         |
| Urban - Facade-bound green wall                                  |
| Urban - Ground based green wall                                  |
| Urban - Ground level planters                                    |
| Urban - Biodiverse green roof                                    |
| Urban - Introduced shrub                                         |
| Urban - Open mosaic habitats on previously developed land        |
| Urban - Rain garden                                              |
| Urban - Actively worked sand pit quarry or open cast mine        |
| Individual trees - Urban tree                                    |
| Urban - Sustainable drainage system                              |
| Urban - Unvegetated garden                                       |
| Urban - Vacant or derelict land                                  |
| Urban - Bare ground                                              |
| Urban - Vegetated garden                                         |
| Wetland - Blanket bog                                            |
| Wetland - Depressions on peat substrates (H7150)                 |
| Wetland - Fens (upland and lowland)                              |
| Wetland - Lowland raised bog                                     |
| Wetland - Oceanic valley mire[1] (D2.1)                          |
| Wetland - Purple moor grass and rush pastures                    |
| Wetland - Reedbeds                                               |
| Wetland - Transition mires and quaking bogs (H7140)              |
| Woodland and forest - Felled                                     |
| Woodland and forest - Lowland beech and yew woodland             |
| Woodland and forest - Lowland mixed deciduous woodland           |
| Woodland and forest - Native pine woodlands                      |
| Woodland and forest - Other coniferous woodland                  |
| Woodland and forest - Other Scot's pine woodland                 |
| Woodland and forest - Other woodland; broadleaved                |
| Woodland and forest - Other woodland; mixed                      |

|                                                                                                                |
|----------------------------------------------------------------------------------------------------------------|
| Woodland and forest - Upland birchwoods                                                                        |
| Woodland and forest - Upland mixed ashwoods                                                                    |
| Woodland and forest - Upland oakwood                                                                           |
| Woodland and forest - Wet woodland                                                                             |
| Woodland and forest - Wood-pasture and parkland                                                                |
| Coastal lagoons - Coastal lagoons                                                                              |
| Rocky shore - High energy littoral rock                                                                        |
| Rocky shore - High energy littoral rock - on peat, clay or chalk                                               |
| Rocky shore - Moderate energy littoral rock                                                                    |
| Rocky shore - Moderate energy littoral rock - on peat, clay or chalk                                           |
| Rocky shore - Low energy littoral rock                                                                         |
| Rocky shore - Low energy littoral rock - on peat, clay or chalk                                                |
| Rocky shore - Features of littoral rock                                                                        |
| Rocky shore - Features of littoral rock - on peat, clay or chalk                                               |
| Intertidal sediment - Littoral coarse sediment                                                                 |
| Intertidal sediment - Littoral mud                                                                             |
| Intertidal sediment - Littoral mixed sediments                                                                 |
| Coastal saltmarsh - Saltmarshes and saline reedbeds                                                            |
| Coastal saltmarsh - Artificial saltmarshes and saline reedbeds                                                 |
| Intertidal sediment - Littoral seagrass                                                                        |
| Intertidal sediment - Littoral seagrass on peat, clay or chalk                                                 |
| Intertidal sediment - Littoral biogenic reefs - Mussels                                                        |
| Intertidal sediment - Littoral biogenic reefs - Sabellaria                                                     |
| Intertidal sediment - Features of littoral sediment                                                            |
| Intertidal sediment - Artificial littoral coarse sediment                                                      |
| Intertidal sediment - Artificial littoral mud                                                                  |
| Intertidal sediment - Artificial littoral sand                                                                 |
| Intertidal sediment - Artificial littoral muddy sand                                                           |
| Intertidal sediment - Artificial littoral mixed sediments                                                      |
| Intertidal sediment - Artificial littoral seagrass                                                             |
| Intertidal sediment - Artificial littoral biogenic reefs                                                       |
| Intertidal sediment - Littoral sand                                                                            |
| Intertidal sediment - Littoral muddy sand                                                                      |
| Intertidal hard structures - Artificial hard structures                                                        |
| Intertidal hard structures - Artificial features of hard structures                                            |
| Intertidal hard structures - Artificial hard structures with integrated greening of grey infrastructure (IGGI) |
| Watercourse footprint - Watercourse footprint                                                                  |

### Phase 1 Habitat

Woodland

Broadleaved woodland

Semi-natural broadleaved woodland

Plantation broadleaved woodland

Coniferous woodland

Semi-natural coniferous woodland

Plantation coniferous woodland

Mixed woodland

Semi-natural mixed woodland

Plantation mixed woodland

Scrub

Dense / continuous scrub

Scattered scrub

Parkland / scattered trees

Broadleaved parkland / scattered trees

Coniferous parkland / scattered trees

Mixed parkland / scattered trees

Scattered trees

Scattered trees

Recently-felled woodland

Broadleaved recently felled woodland

Coniferous recently felled woodland

Mixed recently felled woodland

Acid grassland

Acid grassland

Unimproved acid grassland

Unimproved acid grassland

Semi-improved acid grassland (Good quality)

Semi-improved acid grassland (Good quality)

Semi-improved acid grassland (Poor quality)

Neutral grassland

Unimproved neutral grassland

Semi-improved neutral grassland (Good quality)

Semi-improved neutral grassland (Poor quality)

Calcareous grassland

Calcareous grassland

Unimproved calcareous grassland

Unimproved calcareous grassland

Semi-improved calcareous grassland (Good quality)
