<p>Currently the local schools are over subscribed, doctors and dentists are also in the same situation. The last thing anyone needs is more strain on the education department and NHS.</p> <p>Hightown road and the area is already congested enough and short on green space, pollution, congestion and less green space will have a negative impact on the environment around us all.</p> <p>The heavy machinery, HGVs will cause massive disruption to a lot of local homes and increase the congestion around hightown road, which in turn may cause issues to the fire station in cleckheaton and cause delays to people in need.</p>
