<p>Ashbourne Drive is already a narrow roadway with cars generally parked at either side. Dissected by a busy rat run on Quaker Lane which then joins High Town Road. These roads have heavy vehicles up and down daily which cause large pot holes and cause thick dust and muck to settle on walls and cars as it is. The road is not safe for our children to play near due to so much through traffic as it is!</p> <p>More access and traffic would make this road and surrounding roads even more dangerously busy, more needs to be done to safeguard current residents and develop local roadways more and traffic calming zones before more homes get approved! We have a lot of new developments in and around Cleckheaton already!</p>
