<p>Once again, no consideration made to selling off another pocket of green space. This needs to be considered in addition to the already approved development on Westgate.</p> <ul style="list-style-type: none"><li>- Increased flood risk</li><li>- Huge increase in traffic, on minor roads which are already full of pot holes</li><li>- More noise and disruption during construction</li><li>- Even more residential properties with no proposal for extra doctors, dentist etc</li></ul>
