Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>I wish to register my disagreement to these plans. Providence street is a narrow road and the access to this planned estate onto Providence Street will be extremely dangerous. Already we are faced with cars being parked on pavements down Providence Street which leads to difficulties for disabled access to pavements, which unfortunately I have to endure as I am disabled. Obviously this is not something the council or planning authorities have even checked or considered. I expect an answer to my concerns.</p>
