Public bins to discourage littering. Surface mounted. Type and location to be agreed, see car park proposal for more information.

Public bins to discourage littering. Surface mounted. Type and location to be agreed, see car park proposal for more information.

Waste Storage & Collection 1:125

Notes

Do not scale from drawing, use figured dimensions only.

All dimensions must be checked and verified on site prior to commencement of work and architect to be notified of any discrepancies.

This drawing is intended to permit overall scheme proposals only and cannot be used for construction purposes without further information.

Rev.		Drawn	Checked	Date
A	Car Park layout updated to current scheme	MJN		28.09.23
B	Scale change, increased area shown	MJN		18.09.24

Notes:

Measures to discourage fly tipping:

- 24 Hour Site Presence
- Well-lit site to discourage tipping, LED lighting to also provide security and crime prevention.
- CCTV covering vulnerable areas of the site.
- Site signage for prosecution of fly tipping.

Additional information:

- Drawing No. 3287 (SK) 106 for car parking information.
- Drawing No. 3287 (SK) 111 for information on crime prevention measures relating to security.
