**Discharge of condition 9 (mitigation works) on previous permission 2023/90509 for erection of
2 storey, 5 classroom teaching block including toilet facilities and staff / store rooms**

Date Responded: 31-10-2024.

Responding Officer: Mark Berry.

Responding Ref: 5-12NW-9.

This application seeks approval to the discharge of condition 9 (mitigation works) on previous permission 2023/90509 for erection of 2 storey, 5 classroom teaching block including toilet facilities and staff / storerooms at North Huddersfield Trust School, Woodhouse Hall Road, Fartown, Huddersfield.

9. Prior to development commencing, details of a scheme of mitigation works at the Woodhouse Hill junction with timescales for implementation, shall be submitted to, and approved in writing by, the Local Planning Authority. Unless otherwise agreed in writing the mitigation works shall be implemented and retained in accordance with the approved timescales.

The applicants have provided plan number HS-25-66886-PO1A (Casualty Prevention scheme) prepared by the Councils Highway Safety Section.

Highway Safety have confirmed that the earliest possible implementation date is during the school holidays in July / August 2025 and that their plan is to carry out the works in July / August 2025.

Highways Development Management have therefore no objection to the discharge of this condition.
