<p>I am objecting to this development becoming an HMO due to having one already at 72 church lane, one on leaf street and one on the corner of brook street, the traffic is awful mornings and afternoons at school pick and drop offs, as parents from local schools use the lane as a rat run, causing near accidents multiple times of the week, I often see police cars at the HMOs on leaf street, and there are multiple cars at the church lane address causing untold parking issues due to their lack of driving abilities, this has been reported to the police by myself. the pavement on church lane isn't wide enough for a double buggy and the 7 possible cars being added to the area will cause safety issues to young families and children accessing their homes and the local play area.</p>
