Subject: RE: Attached letter from Kirklees Council regarding application number 2024/92862 at location Land at, Abbey Road, Shepley, Huddersfield, HD8 8DY

Further to the consultation request in connection with the discharge of condition 3 (boundary walls), I would like to advise that this is not a structures condition. The relevant condition is no 21 (retaining structures) which can be discharged pending the receipt of a satisfactory “Construction Compliance Certificate” and “As Built” drawings which the developer is required to provide to enable the technical approval process to be concluded.
