<p>Number 55 Slaithwaite rd is currently for sale and has been for some time. I believe this plan for permission to build a house in the in the garden is purely to help sell the primary house with the owner having no regard for the environment impact and the knock on effect to the green space that has been there for many years.</p> <p>The footpath as mentioned by others is used as a safe pedestrian only cut through by pedestrians to avoid the main road and is unsuitable both in size and location to be made into an access road for a house.</p>
