<p>Our house abuts Badger Gate, we have lived here 20 years and know this to be a well used footpath for children and parents to walk safely to and from school, for general public to walk away from the ever busy Slaithwaite Road to access the amenities in the village. It is a route to access much needed walks along the river. It needs the slightest frost for the route to become inaccessible to vehicles, hence they all park on Golcar Brow Road. The severe bend in the route would require significant alteration to make it accessible to wheeled vehicles with the concomitant disturbance to the land and the wildlife which populates the area.</p>
