<p>Dear Sir / Madam,</p> <p>Re: Planning application. 20 Marsh Gardens, Honley, Holmfirth HD9 6AF. Application 2024/93039</p> <p>We write this letter to strongly oppose part of the above planning application. Please note the part of the application we oppose is the roof terrace at this address.</p> <p>The roof terrace will directly overlook our entire rear garden and living spaces. With only a few metres between the proposed terrace and our rear garden and living spaces this will be a gross invasion of privacy. The imposing nature of this would be very intrusive and would greatly affect how we could use the rear of our property. We therefore feel that if this application was approved our legal right to privacy will have been breached.</p> <p>In order to understand our objections fully, we would be agreeable for anybody reviewing this application to access our property at an agreed time so the intrusive impact this would have on our family lives could be fully understood.</p>
