| <p>To Whom It May Concern,</p> <p>I am writing to object to the new planning application 2024/93068 for the extension at 1 Chadwick Crescent. Although some changes have been made from the previous plans, my concerns remain largely the same.</p> <p>The revised extension still appears too close to the boundary, setting a worrying precedent for future developments in the area. It doesn't adequately address the previous issues related to space and privacy for neighbouring properties, making me hesitant about buying a property here. There is a lack of consideration for how this impacts the appeal of the neighbourhood for potential future residents like myself.</p> <p>The updated plans also fail to improve the overall look of the area. The extension's size and design continue to clash with the existing mix of stone and brick houses, making the street scene feel disjointed. This inconsistency will detract from the character that initially attracted me to this community.</p> <p>Finally, while the construction process is unavoidable, the disruption to this quiet area still concerns me. Noise, traffic, and the potential impact on local greenery remain significant drawbacks, especially since the updated plans do not address these fully.</p> <p>I hope my concerns are taken into consideration, as the proposed extension still seems to threaten the neighbourhood's charm and desirability.</p> |     |
