Subject: Planning Permission Application for 7 Littlemoor Road

Dear Sir

Thank you for your letter regarding the planning permission application for 7 Littlemoor Road.

We would like to express that we have no objections to the proposed extension of the dwelling. However, we want to clarify that the front shared path, which we have just paid for, is intended for shared use. If access is required across the back of the properties, we request that any damage caused during this use is repaired at the cost of the user.

Please let us know if you need any further information or if there are any forms we need to complete.

Best regards,

We have only just got this letter 31st october 2024.
