**Subject:** Planning App 2024/93079 Email Objection

I hereby submit a written objection to Planning Application Number 2024/62/93079/E for The Radcliffe Care Home, 444 Huddersfield Road, Mirfield, West Yorkshire, WF14 0EE. The proposal involves a change of use and alterations to The Radcliffe Care Home Unit 2 to form 10 self-contained apartments.

My objections are as follows:

- It constitutes overdevelopment of an already established site and will necessitate the felling of mature trees to allow for building separation, parking, and access for private and emergency vehicles.
- Reducing the business to just Unit 1 will diminish the quality of care, social amenities, events, and space available to the smaller community of residents.
- The changes will result in fewer carers on site.
- There is already a shortage of affordable social care in Kirklees, and this proposal will exacerbate the issue.
- The disruption to existing residents during the construction work will reduce the quality of care during the transition period and potentially have long-term consequences.

I was born in Mirfield and my father, \_\_\_\_\_, is currently in care in Unit \_\_\_\_\_ at The Radcliffe. He enjoys walks, the views, and socializing with the Radcliffe community of staff and residents, all of which will deteriorate if this proposal is approved.

Yours sincerely,

The Anchorage, Five Acres, Charmouth, Bridport, Dorset,
