<p>I believe the development will impact on residents neighbouring undeer Loss of privacy. Loss of light with the extended garage.</p> <p>The intensification of the site should be considered this will result in over development of the site. This does have an impact on the streetscebe in the area. The recently submitted application was refused on the same grounds. They have now brought back a larger application.</p> <p>They would appear to be building onto an existing extension.</p>
