For: Consider Energy Ltd

The KIRKLEES COUNCIL hereby give notice that LISTED BUILDING CONSENT has been granted for the execution of the works referred to:-

LISTED BUILDING CONSENT FOR CHANGE OF USE FROM CARE HOME TO
DWELLING AND ASSOCIATED ALTERATIONS'

At: LINDLEY COTTAGE, 6, LIDGET STREET, LINDLEY, HD3 3JB

In accordance with the plan(s) and applications submitted to the Council on 01-Nov-2024 subject to the condition(s) specified hereunder:-

1.The development hereby permitted shall be begun within three years of the date of this permission.

Reason: Pursuant to the requirements of Section 91 of the Town and Country Planning Act 1990.

2. The development hereby permitted shall be carried out in complete accordance with the plans and specifications schedule listed in this decision notice, except as may be specified in the conditions attached to this permission, which shall in all cases take precedence.

Reason: For the avoidance of doubt as to what is being permitted and so as to ensure the satisfactory appearance of the development on completion, and to accord with Policies LP1, LP2, LP21, LP22, LP24, LP30, LP31, LP33, LP35 and LP51 of the Kirklees Local Plan and policies within Chapters 2, 4, 9, 12, 14, 15 and 16 of the National Planning Policy Framework.

3. Prior to the insertion of any new windows and external doors, details shall be submitted to and approved in writing by the Local Planning Authority. These shall include product specifications, 1:5 sections and 1:20 elevations showing their appearance including materials, finish, colour, design details of the external reveals, heads, cills and jambs. The approved scheme shall thereafter be implemented

Reason: To ensure the satisfactory appearance of the development on completion to retain the significance of the designated heritage asset and to accord with Policy LP35 of the Kirklees Local Plan, as well as Chapter 16 of the National Planning Policy Framework.

4. All new windows shall be timber framed sliding sash with a painted finish and appropriate horns. All mouldings and timber sections simple in design and profile with chamfered glazing beads. All double-glazed units shall be slim in section, with 4mm glass and an 8mm gap with black spacer bars. Friction hinges and visible trickle vents shall not be permitted, and all new window frames shall be set back in the reveal by 100-125mm and not fitted flush with the external wall. Any obscured glass shall be plain frosted and not patterned.

Reason: To ensure the satisfactory appearance of the development on completion to retain the significance of the designated heritage asset and to accord with Policy LP35 of the Kirklees Local Plan, as well as Chapter 16 of the National Planning Policy Framework

5. Notwithstanding the submitted details any repairs or repointing to the historic fabric of the building shall be undertaken using lime mortar only. There shall be no strap or ribbon pointing to the building.

Reason: To ensure the satisfactory appearance of the development on completion to retain the significance of the designated heritage asset and to accord with Policy LP35 of the Kirklees Local Plan, as well as Chapter 16 of the National Planning Policy Framework.

6. Notwithstanding the submitted details any plastering/ replastering works to the walls forming the historic fabric of the building shall be undertaken using lime plaster only.

Reason: To ensure the satisfactory appearance of the development on completion to retain the significance of the designated heritage asset and to accord with Policy LP35 of the Kirklees Local Plan, as well as Chapter 16 of the National Planning Policy Framework

7. Notwithstanding the submitted details there shall be no use of filler or expandable foams or silicone sealants in any part of the works which would intersect or touch the historic fabric.

Reason: To ensure the satisfactory appearance of the development on completion to retain the significance of the designated heritage asset and to accord with Policy LP35 of the Kirklees Local Plan, as well as Chapter 16 of the National Planning Policy Framework.

8. Prior to the commencement of demolition or the removal of listed building fabric, a demolition methodology shall be submitted to and approved in writing by the Local Planning Authority. Details shall include the method of protection of the retained building fabric including propping, weatherproofing, protection of adjacent and adjoining historic fabric. This applies to the interior and exterior of the building. Demolition shall be undertaken in accordance with the approved methodology.

Reason: To ensure the satisfactory appearance of the development on completion to retain the significance of the designated heritage asset and to accord with Policy LP35 of the Kirklees Local Plan, as well as Chapter 16 of the National Planning Policy Framework.

9. Details of any proposed external lighting, fixings, CCTV cameras and external equipment fixed to the building and curtilage structures, along with the locations and fixing methods, shall be submitted for approval in writing by the Local Planning Authority prior to installation. Fixings shall be into mortar joints and not into the stonework. All existing modern redundant equipment replaced by the new equipment shall be removed carefully and the surfaces made good. The approved scheme shall be implemented thereafter.

Reason: To ensure the satisfactory appearance of the development on completion to retain the significance of the designated heritage asset and to accord with Policy LP35 of the Kirklees Local Plan, as well as Chapter 16 of the National Planning Policy Framework.

10. Prior to the insertion of new internal openings and adaptation of existing openings within the existing building, details shall be submitted to and approved in writing by the Local Planning Authority. These shall include demolition methodology, 1:5 section and 1:20 elevations showing design details of new doors and joinery including architraves, materials, finish and samples. The approved scheme shall be implemented thereafter.

Reason: To ensure the satisfactory appearance of the development on completion to retain the significance of the designated heritage asset and to accord with Policy LP35 of the Kirklees Local Plan, as well as Chapter 16 of the National Planning Policy Framework.

NOTE: This Decision Notice should be read in conjunction with Decision for the associated Listed Building Consent application reference: 2024/93118

NOTE: Any paints used shall ensure they are permeable, and none plasticised to ensure the movement of moisture.

NOTE: In order to avoid damage to the Listed Building, care should be taken in the choice of materials to avoid thermal bridging or other issues that may affect the breathability of the Building.

NOTE: The site is located within the Kirklees Bat Alert Layer and there is an increased potential for roosting bats. Bats are a European protected species under regulation 41 of the Conservation of Habitats and Species Regulations 2017 (as amended) and Schedule 5 of the Wildlife and Countryside Act 1981 (as amended). It is an offence for anyone intentionally to kill, injure or handle a bat, disturb a roosting bat, or sell or offer a bat for sale without a licence. It is also an offence to damage, destroy or obstruct access to any place used by bats for shelter, whether they are present or not. If bats are discovered on site, development shall cease and the applicant is advised to contact Natural England for advice.

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Planning Authority have, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2015 and otherwise actively engaged with the applicant in dealing with the application.

Alterations were requested to remove a first-floor extension and amended plans were received to change access layout.

Building Regulations Approval is required for most work involving building operations and/or structural alterations. It is the applicant's responsibility to find out if the work permitted by this planning permission needs approval under the Building Regulations, and if necessary to submit an application. If you are not the applicant can you please ensure the applicant is aware of this requirement. Contact Building Control on Tel No: (01484) 221550 for more information.

It is the applicant's responsibility to find out whether any works approved by this planning permission, which involve excavating or working near public highway and any highway structures including retaining walls, will require written approval from the Council's Highways Structures Section. Please contact the Highways Structures Section on Tel No. 01484-221000 Ext 74199 for further advice on this matter.

Details Reserved by Condition

- This permission has been granted subject to conditions. Some of the conditions may require you to submit further details. These conditions normally contain the wording “*submitted to and approved in writing by the Local Planning Authority*”.
- You can apply online for approval of these details at the Planning Portals website at www.planningportal.gov.uk. Alternatively the forms and supporting guidance for submitting an application can be found online at www.kirklees.gov.uk/planning.
- This Authority recognises the need to ensure that you are able to develop the site as effectively and flexibly as possible. However, at the same time it must ensure that development is in accordance with the terms of the planning conditions and legal agreement and the expectations of elected members and local residents set through the decision process.
- You should note the triggers for compliance with the conditions of this planning permission. This Authority is committed to processing applications to discharge conditions in a timely manner. It is important to ensure that submissions are made as far in advance of the trigger to allow time for adequate consultation, discussion and in some circumstances publicity.
- It is important that applications to discharge conditions are accompanied by sufficient information to enable this Authority and its consultees to fully consider and determine the proposals. Whilst officers will endeavour to negotiate solutions, failure to provide a comprehensive submission may result in delay and refusal of the application.
- If you commence work without discharging conditions you are at risk of enforcement action and invalidating your permission if the planning condition is a pre commencement condition.

Development within a Coal Mining Area

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Mining Remediation Authority on 0345 762 6846 or if a hazard is encountered on site call the emergency line 0800 288 4242.

Further information is also available on the Mining Remediation Authority website at: [Mining Remediation Authority - GOV.UK](http://MiningRemediationAuthority.gov.uk)

Where the application has been publicised by notice(s) in the vicinity of the site. It is respectfully requested that the notice(s) now be removed and responsibly disposed of to avoid harm to the appearance of the area

If the applicant is aggrieved by the decision of the Local Planning Authority to refuse listed building consent for the proposed works, or to grant consent subject to conditions, he/she may, by notice served within six months of the date of issue of this notice, appeal to the Secretary of State for the Environment in accordance with Sections 20-21 of the Planning (Listed Buildings and Conservation Areas) Act 1990. Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/appeal-planning-decision> Further information on the Planning Appeal process can be found online at the Planning Inspectorates website <https://www.gov.uk/government/organisations/planning-inspectorate>. You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require. The Secretary of State has power to allow a longer period for the giving of a notice of appeal and he will exercise his power in cases where he is satisfied that the applicant has deferred the giving of notice because negotiations with the Local Authority in regard to the proposed works are in progress.

Please note, only the applicant possesses the right of appeal.

An important part of improving our service is to review your feedback on the way that we have dealt with your planning application(s). Please take a couple of minutes to email your comments to dc.admin@kirklees.gov.uk so that we can work on continually improving our customer service. Thank you.
