<p>As a local resident it is a much needed and welcomed plan. Me and my family benefits from the current services and worshipping facility it provides. Childrens education my child receives. Place of worship Great for social gathering mental health and well-being. Ladies programes, childrens programmes, charities and food banks they support. le food banks, mri scan fundraising for nhs, health awareness, youth programmes. Counciling and advice for youth, youth events, suppirt for financial and vunteble people. As a local muslim, its a breath of fresh air visiting the centre. The volunteers are providing a wonderful service to the growing muslim community in healey and also creating unity and inclusion for all, including working with nearby schools and charities to support everyone. More tgan just a place of worship. Hope you grow and deliver more for the ever increasing community needs.</p>
