| <p>I have live in this community for over 20 years and when the masjid was built in 2019 it was refreshing provided a whole new positive environment in the community and more options for the growing Muslim community in Healey.</p> <p>It has provided plenty of opportunities for myself and other to engage in community events</p> <p>However one of the positive aspects is having the facility for parents to send there children to there madressah. Due to busy schedules for parents to have an option to send there children to madressah near to there house has made there work life balance a lot better. By accepting the plan the masjid will be able to accommodate a lot more children and supporting the parents in our community</p> <p>There is a lot of potential for the community and this is a path to that</p> | |
