<p>The local mosque are doing great work for the local community, it's a really nice atmosphere, welcoming, nice local social hub , very clean and tidy, meeting people, they conduct weddings, conduct daily prayers, children's programmes, ladies events, youth programs, counselling , Ramadan iftars and events etc to note a few examples, it's definitely really beneficial having a local mosque for the betterment of the whole community and these plans will be good for the community and generations to come. The plans and pictures of the building look amazing for Healey!</p>
