<p>I fully support the planning application for the redevelopment of the existing Islamic Centre. As a recent resident and a student in one of the mosque's ladies' Islamic classes, I've seen firsthand how important this centre is to our community. The redevelopment is essential to meet the growing needs of worshippers and to continue offering valuable educational and social programs. It will enhance the centre's ability to serve both its congregation and the wider community, promoting unity and understanding. I urge the planning committee to approve this application. Thank you.</p>
