<p>I live in very close proximity to the Islamic centre and since it opened in 2019 has helped me greatly especially with my young child who attends the evening madressah as I don't have to travel by car to other madressahs.</p> <p>It is also good to see that the plans have taken into consideration those who do travel by car by providing adequate parking facility and an appropriate entry/exit point for vehicles which will make it alot safer.</p> <p>The design of the building is also in keeping with the surroundings therefore I strongly support this application.</p>
