<p>The increase to a 2 story property is out of line with the remaining bungalows on this section of Stockwell Drive.</p> <p>Increasing the overall size and occupancy of the property will increase the load on the limited drainage originally designed for the 4 bungalows on this section of Stockwell drive.</p> <p>The application states that there are no trees in close proximity to the development - this is incorrect, there are trees, some on the property, and some on adjacent properties.</p>
