Horrendous parking issues already,will just make it worse,it is a very busy place as it is causing parking issues blocking driveways,needs to be relocated to a bigger premises where they have plenty of customer parking.The owners have never taken residence advice to put a a polite notice up asking customers not to block driveways and never get them to move they vehicles straight away until they have the order,cant imagine what it be like if this is granted.The parking on the side wouldn't be enough for they current business even if all the customers rode bikes.
