| <p>. Impact on road safety as Bank Lane is a single track leading to Broomfield with no passing places</p> <p>.Potential noise disruption from construction vehicles</p> <p>.Danger for pedestrians/children/horse riders with increased heavy traffic/domestic traffic using Bank Lane</p> <p>Upper Denby is a small residential village part of which is a conservation area/green belt. Further developments would change the nature of this village with all its history. This would certainly have a negative impact</p> <p>.</p> <p>.Old drains/utilities near surface of Bank Lane which can be broken/disturbed by heavy construction traffic and added vehicular use</p> <p>.</p> | |
