<p>The access to Brookfield House along Bank Lane from Rock House is single track and cannot be widened.</p> <p>The lane surface from Lemonacre to Broomfield gates has been improved recently but remains single track.</p> <p>Due to the width of the lane and the parking situation along the main arteries of the village, construction vehicles would be problematic.</p> <p>The increase in vehicular access to the proposed properties would be disruptive and hazardous to the many walkers using the various definitive footpaths in this area.</p> <p>There is a lack of pavements and where they do exist are frequently mounted!</p>
