

Consultation Response from: KC Environmental Health (Pollution & Noise Control)		
2024/93212 New Closes Farm, Wickins Lane, Holmfirth, HD9 3RB		
Alterations to convert existing store/workshop to one dwelling with associated parking, outdoor amenity space and landscaping		
Responding Date: 3 rd February 2025	Responding Officer: SR	Responding Ref: WK202502543
<u>Comments</u> We have reviewed the application following a reconsultation regarding a package treatment plant. The proposed property is to be served by its own package treatment plant that has the capacity for 6 persons. It is our understanding that this will require Building Regulations approval and have no further comments or recommendations to make.
