## Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

Yes

No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Alterations to the existing roof to create gable ends in place of the exiting hipped roof. Addition of dormers to the rear (south elevation)

Does the proposal consist of, or include, a change of use of the land or building(s)?

Yes

No

Has the proposal been started?

Yes

No

## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The existing use is a dwellinghouse. No changes are being made to the use.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

22014D-P01 GA as existing  
22014D-P02 GA as proposed  
22014D-P01 Site block and location plan

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

### Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- Permanent  
 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed alterations to the roof are in accordance with Permitted Development Class B.  
-No parts of the roof exceed the dwellinghouse exceed the height of the highest part of the existing roof  
-No part of the dwellinghouse will as a result of the works, extend beyond the plane of the existing roof slope which forms part of the principal elevation of the dwellinghouse.  
-The cubic content of the resulting roof space proposed is an increase in cubic content to the original roof of 46m<sup>3</sup> (so under the 50m<sup>3</sup> allowance for a non terraced house)  
The proposed alteration required to the chimney is in accordance with Permitted Development Class G.  
-The height of the chimney being altered does not exceed the highest part of the roof by more than 1 metre.

### Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes  
 No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- The agent  
 The applicant  
 Other person

### Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- Yes  
 No

### Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff  
(b) an elected member  
(c) related to a member of staff  
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

Yes

No

## Interest in the Land

Please state the applicant's interest in the land
