<p>Dear Charlotte</p> <p>I am writing as a resident and a person who has worked on gardening projects around the area.</p> <p>The improvements to this house such as the rendering and additional features, add good visual appeal. Similar alterations have been approved on the street, a number of times. Some of the extensions approved are very different to what was there before. That is the positive character of the area</p> <p>I would hope the application will be approved without delay to show that Kirklees is open to good positive housing.</p> <p>Thank you</p>
