<p>I would like to say this house is excellent and looks very nice. The gardens are very big and very far away from the road itself. Adds a lot of class to the road. The council people should not be picking on very minor issues. I am aware that in the future the government is passing legislation to allow additional floors to be added without even requiring permission. The council needs to be speeding this application through. Full planning approval should be granted to this house I will offer my full support to the applicants.</p>
