<p>These people are still trading after planning refusal. They are advertising on different platforms open from 5pm until midnight.</p> <p>If they have been refused and waiting appeal, all trading should not commence.</p> <p>No solid roof completed, yet are preparing food.</p> <p>Somebody in authority needs to go and check this former church when they are trading.</p> <p>Cars backward and forward at all hours.</p> <p>This is a residential area and no place for late night takeaway</p>
