<p>I fully support this application, which will benefit a large proportion of the local community. The current facilities are outdated and in need of replacement which will improve the visual appearance of the space and improve provision of community services in the area.</p> <p>This is a project that will have a positive impact on children and families and supports the local provision for diversionary activity and volunteering opportunities.</p> <p>There have been a large number of new family homes built recently in Netherton and the community sporting facilities need to reflect the increased demand that this will create.</p>
