OFFICER RECOMMENDATION

DISCHARGE OF CONDITION A.4 , SCHEDULE 2, PART 1, CLASS A GENERAL PERMITTED DEVELOPMENT ORDER

1. Procedural Matters

Prior notifications for the erection of single storey rear extensions to dwellings are considered against the requirements as set out by the Town and Country Planning (General Permitted Development)(England) Order 2015 (as amended) Schedule 2, Part 1, Class A, condition A.4.

Proposals pursuant to Class A are permitted subject to limitations set out in paragraph A.1 and in the case of Class A.1 (g) subject to the discharge of condition A.4. This proposal relates to development pursuant to Class A where condition A.4 is engaged and for the purposes of this assessment only the limitations for Class A.1 (g) and requirements of condition A.4 are considered. Other limitations within Class A are not considered other than where, in the opinion of the Local Planning Authority, the development does not comply with the limitations within Class A of the Order. Ultimately the responsibility to ensure the development is carried out in full accordance with any planning permission rests with the applicant or property owner/occupier.

Limitations for Class A.1(g) Development

Is the site within a Conservation Area, Article 4 or SSI area?	No
Is any part of the proposal clearly outside the curtilage of the dwellinghouse?	No
If the house is detached and from the information submitted, does the extension extend more than 8 metres from the rear of the original dwellinghouse?	N/A
If the house is not detached and from the information submitted, does the extension extend more than 6 metres from the rear of the original dwellinghouse?	The house is semi-detached and the extension will project 4.5m beyond the rear wall of the original dwelling house.
Does the proposal exceed 4 metres in height?	No

Have permitted development rights been removed from the property?	No
---	----

Condition A.4

As part of the notification procedure, the Local Planning Authority notify owners or occupiers of adjacent premises of the proposed development by serving notice and allowing 21 days for objections to be made. The Local Authority shall take into account any representations made as a result of the notice given.

Consultation start date : 26th November 2024

Consultation end date : 17th December 2024

1. Objections

2.1 Summary of representations:- None received

2. Assessment

No rear alterations appear to have been made to the original dwellinghouse. However, the enlarged part of the dwellinghouse would be within 2 metres of the boundary of the curtilage of the dwelling house and the height of the eaves of the enlarged part would exceed 3 metres (3.4 metres). Therefore, this would be contrary to sub-paragraph A.1(i) of Part 1, Class A, Schedule 2 of the Town and Country Planning(General Permitted Development)(England) Order 2015 (as amended).

No requirement to assess amenity as no representations have been received.

3. Recommendation: Refuse.
