<p>I fully support the proposed establishment of the community educational childcare hub in the Greenhead Ward, Birkby. As someone actively involved with the local community, I run my superstore in the heart of Birkby, and I have witnessed firsthand the positive impact of quality childcare, education, and community support on families Tuition Time has given over the years.</p> <p>This new hub will breathe life back into a building that has been unused for some time, transforming it into a space that fosters education, care, and community spirit. Over the years, many parents and community members have praised the dedication, support, and nurturing environment provided by Tuition Time Hub, and I am confident this new hub will continue and expand on that legacy.</p> <p>This project will benefit the local community by providing essential educational resources, wraparound care, and a supportive space for children and families. I wholeheartedly support this application and look forward to seeing the positive outcomes it will bring to the area.</p>
